Letter of Deficiency
WMD 02-02

SUBJECT: Financial Assurance for United Oil Recovery, Inc., Newington, NH
Permit No. DES-SW-TP-97-018

Dear Mr. Carabetta:

The Department of Environmental Services, Waste Management Division (Department) sent a letter dated November 1, 2001, notifying you that United Oil Recovery, Inc. (Facility) was due to provide its annual updated closure cost estimate by December 15, 2001. The Department requested updated closure costs for the Facility pursuant to Env-Wm 3105.02 of the New Hampshire Solid Waste Rules (Rules).

The Department records show that updated closure costs have not been submitted for the Facility to meet current financial assurance requirements. The above noted deficiency can be corrected by submitting this documentation within ten (10) days from receipt of this letter. In the event that you do not submit the required documentation, the Department may take further action against the Facility, including issuing an Order requiring the deficiency to be corrected, initiating an administrative fine proceeding, and/or referring the matter to the New Hampshire Department of Justice for imposition of civil and/or criminal penalties.

Your prompt cooperation is appreciated. Should you have any questions regarding this matter, please do not hesitate to contact Myrna Giroux of the Solid Waste Management Bureau at 271-2925.

Sincerely,

Re: Financial Assurance for United Oil Recovery, Inc., Newington, NH
Permit No. DES-SW-TP-97-018

Dear Mr. Carabetta:

According to our records, United Oil Recovery, Inc. (Facility) will be due to provide its annual updated closure cost estimate by December 15, 2001. The Department of Environmental Services, Waste Management Division (Department) is requesting updated closure costs for the Facility pursuant to Env-Wm 3105.02 of the New Hampshire Solid Waste Rules (Rules).

Your financial assurance is currently procured by Surety Bond No. ESD 7311555 from The Insurance Company of the State of Pennsylvania in the amount of \$181,175.00. This amount is represented to be sufficient to cover closure costs in accordance with your previous cost estimate. However, once a new cost estimate is submitted, the amount of financial assurance may need to be adjusted.

Please submit the updated cost estimate to my attention to demonstrate your compliance with the Rules no later than December 15, 2001. Your prompt cooperation is appreciated. Should you have any questions regarding this matter, please do not hesitate to contact me at the Solid Waste Management Bureau at 271-2925.

Sincerely,
